## You Need Options

The Ambulatory Surgery Center has unique needs in providing patient care. You can trust Pharmacy Creations to help meet your unique needs in sterile compounds, with products like:

- Preservative free injections (Lidocaine, Betamethasone, Hyaluronidase, Ketamine).
- Ophthalmic solutions unavailable commercially (Glycerin, Mitomycin, Trypan Blue, Lissamine Green, EDTA),
- Nerve blocks (Phenol, Glycerin, PF Bupivacaine)
- Opioids—(Fentanyl, Morphine , Hydromorphone)
- Novel formulations, strengths and package sizes.
- Many, many more....

## You Need Quality

Pharmacy Creations has a reputation of providing quality services to area providers. Our Pharmacists are trained in high-risk sterile compounding and adhere to all state and federal requirements, as well as the stringent requirements of the USP Chapter <797> for compounded sterile preparations. Continuous quality improvement is our focus.

## You Need Service

Pharmacy Creations provides prompt service, getting you what you need when you need it. We understand the need for a rapid turn-around time.

## You Need Compliance

Your facility is constantly under scrutiny and inspection. We provide clear, accurate labeling on compounds, helping you meet all regulatory requirements and streamline your operation.

## You Need Resources

Our Pharmacists are available to speak directly with you to give you answers when you need them. Our pharmacists are uniquely qualified to solve problems and formulate new, innovative compounds. Call on us for the products or for the information you need.

## Pharmacy Creations

We have experience serving numerous Ambulatory Surgery Centers and we understands your needs. We are ready to work one-on-one with you.
